

Delta Mill Society Volunteer “Expression of Interest” Form

The Old Stone Mill National Historic Site is owned by The Delta Mill Society and run by volunteers. We **always** need more volunteer help. No matter what your interest/skills, we have a volunteer opportunity for you. You’ll join a great group of other volunteers, it’s fun, it’s rewarding and it helps to preserve and present an important part of Ontario’s heritage. This form is not a commitment, it’s simply an expression of interest. Whether you like to meet and greet the public or work behind the scenes, we have something for you. We will contact you and discuss the volunteer opportunity based on your area(s) of interest.
